Overview of this information collection:

- 1 *Type of Information Collection:* Revision of a currently approved collection.
- 2 *The Title of the Form/Collection:* Quarterly Hate Crime Report and Hate Crime Incident Report
- 3 *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The form numbers are 1-699 and 1-700. The applicable component within the Department of Justice, the Federal Bureau of Investigation, Criminal Justice Information Services Division.
- 4 *Affected public who will be asked or required to respond, as well as a brief abstract:*
The affected public who are asked to voluntarily respond is city, county, state, tribal, and federal U.S. law enforcement. Under Title 28, U.S. Code, Section 534, this information collection requests hate crime data from respondents in order for the FBI UCR Program to serve as the national clearinghouse for the collection and

dissemination of hate crime data and to publish these statistics annually in Hate Crime Statistics. This provides for the national UCR Program a record of each crime incident including the offense classification and its respective bias motivation, the number and type of victims, the location of the incident, the number of suspected offenders, the suspected offender's race, and whether the victims and offenders are under 18 or over the age of 18.

- 5 *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* There is a potential of 18,290 law enforcement agency respondents; 11,357 for the Summary Reporting System (SRS) and 6,933 for the National Incident-Based Reporting System (NIBRS). NIBRS burden hours are collected on the NIBRS Information Collection Request. Calculated estimates for an SRS respondent to respond indicate 7 minutes per quarter. The total annual burden hour per respondent is 28 minutes.

Total Annual Hour Burden:

7 minutes x 4 quarters = 28 minutes

- 6 *An estimate of the total public burden (in hours) associated with the collection:* There are approximately 5,300 hours, annual burden, associated with this information collection.

11,357 respondents x 4 responses/year = 45,428 total annual responses

45,428 x 7 minutes/60 minutes = 5,300 total annual hour burden

(This burden estimate does not include the 6,933 NIBRS agencies; the NIBRS burden hours are captured in the NIBRS Information Collection Request.)
